# Preface

## **A Take on Life!**

As a professional marketer, my journey took me to many great, lovely and unique places in this vast and beautiful country of ours, as also many similar places in other nations.

These travels made me meet, interact and mesh with a plethora of people-types, who not only gave me insights into human beings in general, but also myself in particular!

Over the years, these learnings settled down and coalesced into ideas and thoughts, which through words and verse, led to the deeds of poems. The Poems touch myriad aspects of life, emotions, and human nature, as also Mother Nature and her wonders! Though penned over a period, the need to share these thoughts and learnings with you all, generated the push for putting the poems together, in book form. Each of us has his or her own 'take' on Life. Here's mine!

# Acknowledgement

While it has taken me most of a lifetime in penning these poems, rest assured, they would not have seen the light of day in a book form, had it not been for the backing of my family, friends and colleagues, whose constant appreciation kept me going.

Standing rock solid and steadfast with me, is my wife, Sabita, whose determination, energy and hard work made this possible.

*Thank you, everyone!*

Be it joyous laughter or melancholic sadness, or, regret and remorse; be it the sounds of uplifting music, or the despondence of loneliness, the upheavals of nature, or its unending beauty of creation, it is this Life that provides it all!

One can be a detached bystander, getting a ringside view, or be in the thick of things, going through experiences firsthand.... it is this Life that provides it all!

Herein, the pleasure is all mine to lay down before you, my take on the myriad go-throughs of life, in as vers-atile a form as possible.

What started as a hobby and a stressbusting pastime, soon became an obsession, which ballooned into what has become my joy and privilege to present to you.

So, here's to Life!

It's all here!
