Preface.....

Stories in this book are a total work of fiction, except the first story you go through in the book which is inspired from the real events which took place with my nephew. Today's world lacks motivation and inspiration in the midst of competitive chaos, stories in this book focus on the captivating stories to change the way we think and look at things.

Acknowledgement.....

To begin with first I want to thank my wife, who has been by greatest critic ever who is the first person to read and suggest changes if needed, every time I right something. It all started by reading a good book, gifted by my good friend and room mate when I was a bachelor working in Bangalore after which my total perspective towards books and reading changed, that is when the fire of writing was kindled. I would also like to acknowledge with gratitude to my Brother in law and Sister in law who allowed me to contribute the first of this book which is based on the event happened with my wonderful nephew.

ABOUT THE AUTHOR

Dave is an Indian writer mostly writing motivational stories, articles, journals in category of fiction, born on August 1984, born and brought in Hyderabad, Telangana, did his bachelor's in computer science from Osmania University. It all started with a good book I mean a journey from a techie to writer, once while working in Bangalore his friend gave a good book to read, Dave had no habit of reading books, he laughed, mocked and said books and me it's too boring, how do people even read it and said no but as his friend insisted, he took the book and amazingly as he started reading, he didn't realise when he got so entangled in it and completed reading it too. That's when the fire of writing kindled in him. Dave did not leave the Techies life, he is still working in corporate sector as a Techie but along with it he has kept his passion to write alive. Once Sudha Murthy the Indian author, one of the founding members of Infosys IT giant has said in her interview if you want to give a gift to your child best gift to give is a good book. He believes the best gift to give someone is a good Book to read.
